

amendment, to be substituted for the twenty-eight (28) sheets of informal drawings filed with the application.

REMARKS

Applicants have proposed amending FIG. 17c to correct the mistaken omission of an outline indicating the borders of illustrative display screen. This omission becomes apparent when comparing FIG. 17c to its counterpart FIG. 17b (see applicants' specification at p. 35, lines 27-33 and p. 36, lines 1-7). No new matter is being added to this patent application.

In view of the foregoing, this application is in condition for allowance. An early and favorable action is requested.

Respectfully submitted,
